The American Legion Auxiliary is working to keep patriotism a part of the education of every child, a patriotism that teaches love of America through knowledge of how our state governments operate. Girls State is a showcase program of the organization.

The Girls State program was organized as a national Americanism activity by the 1937 National Convention. The first Girls State was held in Washington D.C. in 1947. The program is a practical application of Americanism and good citizenship. The entire program is a non-partisan, non-political attempt to teach and inculcate in the youth of America a love of God and Country.

American Legion Auxiliary Units in all 50 states proudly host American Legion Auxiliary Girls State, an amazing week of learning focused on responsible citizenship and love for God and country. Students are assigned to mock cities where, divided into the “Federalist Party” and “Nationalist Party,” they are immersed in learning about the political process from dedicated volunteers, making sure the program’s nonpartisan governmental, patriotic and civic objectives are carried out with intense learning. Though the week is filled with many learning opportunities, there is always time for fun and formation of long-term friendships.

Buckeye Girls State is the name given to Ohio's Girls State program. In 1946, the Ohio American Legion Auxiliary chartered the Buckeye Girls State program. The first session of Buckeye Girls State was started in June, 1947 on the campus of Capital University. The purpose of BGS, as written in 1946 was..."to educate young girls of high school age in the duties, privileges and responsibilities of American citizenship; to provide an opportunity for them to live together as self-governing citizens and to participate in the actual functioning of their government..." it is no different today. BGS is one of the largest Girls States in the Nation.

The 2017 BGS session will be held at the University of Mount Union, Alliance, Ohio from June 11 through June 17, 2017. Registration is scheduled from 1:00 – 3:00 PM on Sunday, June 11th. The program concludes on Saturday afternoon on June 17th.

Two girls are selected from each ALA Girls State program to attend ALA Girls Nation. ALA Girls Nation “senators” meet for a week in Washington, D.C., where they run for political office, campaign for the passage of legislation and meet with U.S. Congressmen and Senators from their state. Capping off the week of ALA Girls Nation is a possible meeting with the President of the United States at the White House. This year, ALA Girls Nation will convene July 22 – 29, 2017.

Everyone who is participating in the BGS program needs to be informed and kept up to date on all relevant news, regarding the programming and best practices.

It is imperative that you read the BGS packet enclosed. All questions may be directed to the BGS Coordinator, Dean Bloxham or the Director, Carol T. Robinson.
Ohio Unit Plan of Action

What can you do as a member and/or Unit?

1. Increase Awareness of the American Legion's Auxiliary's Girls State program.

American Legion Auxiliary Girls State and Girls Nation, is an amazing week of learning for “High School” girls, who are focused on responsible citizenship and love for God and Country. All ALA units should be diligent in spreading the good news about Buckeye Girls State.

The “core” purpose of the American Legion Auxiliary's Girls State, is to enlighten and educate young women on responsible citizenship, leadership, and love for God and Country. This is accomplished, in part, by immersing the girls in learning the political process of electing officials for all levels of state Government, by allowing them to actively run in a “mock” Government. The girls are assisted in the process by ALA volunteers, who make sure the non-partisan governmental, patriotic and civic objection are carried out through the interactive learning.

A significant tool in increasing the visibility of ALA Girls State (and can also be used in recruiting delegates) is to use the internet and social media.

Here are some suggestions:

- Invite the community to a BGS presentation (invite your BGS alumni to participate)
- Submit articles to your local newspaper about the BGS program.
- Use your personal social media accounts, such as Facebook and Twitter to link to any ALA Girls State social media accounts, as well as ALA Girls Nation sites.
- (Twitter - @ALAGIRLSNATION)
- (Facebook - American Legion Auxiliary Girls Nation)

If you don’t already have one, create a Facebook page, Twitter Account, Instagram and/or other appropriate social media accounts, for your particular unit and promote the sites.

**REMEMBER: Always use social media etiquette**

2. Recruiting and Selecting ALA Girls State delegates:

Selecting the right young women to participate in Girls State is a significant part of the success of the entire program. It is each Unit’s responsibility to recruit and select a diverse group of girls, who ideally, are active in their community and have a common desire to learn and lead.

Each unit is expected to “assertively” work with High School educators, Community organizers and Church leaders to help identify possible candidates. Key factors in successful recruiting of BGS candidates include:

- Have completed their Junior year of high school
- Have at least one semester left to graduate
- Are interested in government and current events
- Have high moral character
- Possess strong leadership skills
- Be above average in scholastic achievements
- Have a desire to learn
Ohio Unit Plan of Action

Once you have identified candidates with the above qualities ALL candidates must be interviewed before you select a delegate/alternate. If you need help with this process please feel free to contact Department or BGS Director for assistance.

NOTE: Find detailed information about “how” to select great delegates in the 2017 “Guidelines for Selecting Candidates”. Units interview and select the delegates not the school or school counselors.

3. Promote the availability of Scholarships/Awards.

Samsung Scholarship – every year, a participant of each ALA Girls State program, who is a direct descendant of a veteran, is eligible to apply for the Samsung scholarship at the state level. One ALA Girls State citizen from each state is named as a department finalist and is guaranteed to receive a scholarship. The amount of this scholarship varies each year. National winners are then chosen from the pool of department finalists, each receiving a $20,000 scholarship.

BGS Endowment Fund Scholarship – Two (2) $1,000 BGS Endowment Scholarships will be awarded to two (2) outstanding BGS Citizens.

US Senate Youth Award – 15 delegates will be nominated to the Ohio Department of Education to participate in the US Senate Youth Program. The nominated delegates will compete further in the fall to be one of the two students awarded to participate in the program. Possibility of winning a $5,000.00 scholarship.

Girls Nation Award – Two Delegates and two Alternates will be selected by the BGS Selection Committee to attend Girls Nation in Washington DC. Delegates attending will play the role of a Senator and introduce a bill to be presented to the Girls Nation Senate. Possibility of winning several scholarships.

University of Mount Union Scholarship - University of Mount Union offers the following scholarships:

- One (1) credit hour to all participants who complete the BGS program and attend the University of Mount Union.
- $2,000.00 a year scholarship renewal up to four (4) years to Buckeye Girls State graduates who enrolls full-time at the University of Mount Union.
- One internship scholarship at Washington Center in Washington D.C. for 1 year for a BGS alumnus who attends the University of Mount Union.

4. How is the program funded?

Girls State Delegates are sponsored through local American Legion Auxiliary Units and Posts of The American Legion. Other interested organizations (co-contributors) in the community may also contribute to this sponsorship. The sponsorship fee covers the full expense of the Delegates meals and accommodations. These contributions and sponsorships are vital to the success of our program.

Please note: Co-contributors, DO NOT choose the delegates. Units select the delegates, without the input of co-contributors. This point needs to be reinforced, when needed.

The funding process is most beneficial when everyone participates in the effort. Things you can do include, but are not limited to:
Ohio Unit Plan of Action

- Ask other veteran, civic or booster organizations to sponsor ALA Girls State delegates.
- Network with schools (charter, private & parents who home school) that have no active units in their communities.
- Ask parents of past ALA Girls State delegates to contribute to the Girls State program.
- Have members to set up a memorial scholarship in memory of a loved one. Your ALA Girls State Chairman or Director can give you more information in this.

5. How is the program staffed

Staff comes not only from volunteers of the American Legion Auxiliary but also from the field of education, government, former Girls State participants and people who are interested in furthering the program. Counselors, state and local government, public officials and speakers participate and provide guidance in their respective fields of expertise. If you would like to serve in a staff position please let us know what area you would be interested in and what you feel that you could offer the program. Job descriptions for staff recruitment can be found in BGS instruction brochure included in your BGS packet.

6. Membership Recruitment

It is not a requirement that BGS candidates be an ALA member but what a great way to recruit new members! Encourage eligible young women to become involved in volunteering with your unit as you go about assisting the community and the veterans. Explain who we are and what we do… make it fun, interesting and a learning experience …the next thing you know you have a new member!
