HELLO, DEPARTMENT OF OHIO AMERICAN LEGION AUXILIARY MEMBERS!!! It's time to zero in on your superpowers and prepare for the new year!! Department Headquarters staff: Maria Frame, Department Secretary/Treasurer, Vicky Buck, BGS/Programs Coordinator and Angie Miller, Membership, have been giving it their all to see that this year runs smoothly. Your patience while we re-organize has been and continues to be greatly appreciated! We have a GREAT team, and we will get things done!

We hope you will join us for our Department School of Instructions to be held September 23-24 at the Embassy Suites by Hilton in Dublin, Ohio. This year's format will be different in that our programs will be divided into 3 Super Cities: Gotham (Finance, C&B, AEF, Membership, Public Relations, Historian and Leadership), Star (Americanism, Buckeye Girls State, Children & Youth, Junior Activities, and Education), and Metropolis (Community Service, National Security, VA&R, Legislative and Poppy). Each city will repeat their session 3 times throughout the day with the exception of Gotham. The last session of the day for it will be a full presentation on ALAMIS: the why, what, how, and where of this program. This will allow members to learn about all of our programs or, if you have enough members attending divide and conquer. We will also be offering a District Chairmen Orientation in the evening and hope to see a lot of the chairmen there.

The Plan of Actions are in progress. The Department Chairmen will input their ideas and suggestions and once completed, these will be distributed at Department School of Instructions.

In case you haven't heard, my theme this year is "Our Heroes Inspiring Others." Since our veterans' focus during their time of service was to protect our freedom, the least we can do is to focus our time on seeing that THEY are rewarded for that. The Veterans Affairs & Rehabilitation Program of the ALA does just that; and my special project ties into that as well. Donations to H.O.O.V.E.S. (Healing of our Veterans Equine Service) will allow veterans suffering from PTSD to enroll in this program and overcome this stigma. For information on this amazing program, please visit [www.hooves.us](http://www.hooves.us) to read the testimonials and view the video of just what they do. In addition to all of this, I'd like to create a collage/display of pictures of our heroes, then and now. There is a flyer included in this mailing.

So, let's have some fun. . .get your capes, power rings, shields, web-shooters, lassos, infinity gauntlets and anything else that activates your superpowers and let's get down to the business of taking care of our veterans!!

In the Spirit of Service, not Self

Jane Ridenour

## **Our Heroes Inspiring Others Then and Now**

We would like to celebrate YOUR Heroes! If you would like to join us in this project, please email a "then" and "now" photo of your veteran(s)! We ask that you send these in jpeg format, to ensure we can present quality images!

Please email your photos before Sept 1, and be sure to include the name, branch and date of service of your hero in your email!

# ALAMIS

## Workshop and Training—Saturday, September 23, 2023 during School of Instruction

If you are curious as to how this all works, you are invited to come and listen to Part 1 to see how these two systems work and how you, the Unit leadership, can learn what you can do. We will showing you how to maneuver through the **WRITE** access where you can make updates to your member's contact information, you will be able to perform searches on who has paid their dues and if they have been processed by Department and when that happened. You will learn and enter all your new members. You will also learn how to view and print Unit reports in various formats. By learning how to use and print these reports, you will be able to understand the membership process.

- The second part is for those that are considering or wondering how it would be to process their own Unit dues called **FULL** access. No more sending transmittals to our Department Office! We will talk about the process and show you how it is done.
- This access gives you everything from the **WRITE** access plus the processing piece.
- With this access you will be able to rejoin members within your Unit.

If you have not worked with ALAMIS before, youy Unit may pay the \$15.00 fee to get the **WRITE** access at School of Instruction. If you are currently working with the **WRITE** access, you may pay the \$20.00 fee at the renewal date (January 1) and get the **FULL** access. Attached to this, is the information from the Membership Guidelines which give you some additional information.

If you are currently the person working with ALAMIS and would like some additional hands-on information, this workshop/training is for you!

**PART 1**— This workshop is for **ANYONE** that interested in learning how to maneuver through the ALAMIS system for their Unit. We will show you the how-to's so that you can enter new members, change and updated contact information, print reports and labels and find information on your Unit members through **WRITE** access.

**PART 2**—This section will introduce you to how you can process your own Unit dues and make your payment to the National Organization.

If you are planning to attend this ALAMIS Workshop and Training or have any questions, please contact and/or RSVP by email to [vicky@alaohio.org](mailto:vicky@alaohio.org)

# ALA Management Information System (ALAMIS)

If you are new to ALAMIS, you can be authorized to use WRITE Access with two persons from your Unit to be authorized. Units are able to make updates, perform searches, and view Unit reports.

There are some new things happening with the ALAMIS system for membership this year. Ohio Units have begun, **upon department approval**, being able to process Unit dues. We have been authorizing those Units that are currently working with ALAMIS. You need to have the department approval to participate. This level of ALAMIS access will be known as UNIT FULL access.

WRITE capabilities are:

- Make Updates
  - ✓ Add new members.
  - ✓ Update Member information (name, address, phone number, email address, birthday, marital status).
  - ✓ Update *Auxiliary* magazine preference.
  - ✓ Update solicitation preference.
  - ✓ Request to have no mail/phone calls.
  - ✓ Add Unit leadership positions.
- Perform Searches
  - ✓ See if dues have been applied to a member in the Unit.
  - ✓ View a member's join date.
  - ✓ View a member's membership activity.
  - ✓ Search for members in the Unit.
  - ✓ Filter and view only expired, junior or adult members.
  - ✓ View a member's continuous years of membership.
  - ✓ View a member's paid through date.
  - ✓ See in a member is in a special category such as Paid up For Life or Honorary Life member.
- View Reports
  - ✓ View Unit reports to export into Excel, Word, or as a PDF document.
  - ✓ Use Excel exports to do mail merges in the Unit needs to send letters, emails, or make labels for members.
  - ✓ Use membership Roster to view all members in their Unit.

- ✓ Use Leadership Roster to view all leaders in their Unit.
- ✓ View the members who have paid dues report.
- ✓ View the members who have paid their dues online report.
- ✓ View the members who have not paid dues report.

UNIT FULL capabilities are:

- All the capabilities of Unit Write access PLUS the following:
- Pay membership dues through ALAMIS. Units will pay both the department and national portion of dues for members (\$29.00). National will then remit back to department along with a separate report that will show which units paid dues and which members were paid from National.
- Rejoin former members within their unit. ALL transfer requests of current members, expired members or former members will still need to be processed by the department on a transmittal form.
- Enter new members and pay their dues. **Please Note:** New member applications will need to be sent to department headquarters as you enter them.

There will be requirements in order to have Unit Full access:

1. Membership dues must be paid using a VISA or Mastercard (credit or debit only).
2. All Unit Full users must attend a training session.
3. **Users will not be granted access until after they have attended a training session.**

As previously mentioned, there will be charges to the ALAMIS user access fees starting in **January 2023**.

The new rates will be:

<b>District View</b>	\$10.00
(District View is only for Past Department Presidents, Current District Presidents, and Current Department Officers. THIS IS NOT AVAILABLE FOR UNITS.)	
<b>Unit Write</b>	\$15.00
<b>Unit Full</b>	\$20.00

Units can have up to 2 logins at a time. **Note: You may only have 1 Full Unit user. Units can have a combination of access levels.**

Units can start sending in Unit Write and Unit Full access requests now. Please email your request to Department Headquarters attention [vicky@alaohio.org](mailto:vicky@alaohio.org). When emailing Vicky, please email from the email you want to use to access ALAMIS. Be sure to include your Unit number and your name (as it is on your membership card).

Please remember that users will not be able to be considered for FULL Access unless they are currently using the WRITE Access. Please remember that you may not utilize and access the Unit Full access until after you have attend a training session.

# General ALAMIS Information

## 1. How do we sign up to be on the ALAMIS System?

Set up an email for yourself or if you already have one set up for National's website, please use it. Email Department Headquarters at [vicky@alaohio.org](mailto:vicky@alaohio.org) with the name, title and unit of the person that will be using ALAMIS. This information is forwarded on to National Headquarters. Once they have set up everything, they will send you an email letting you know what the unit's login and password is to get onto the ALAMIS System also with training material.

## 2. What kind of computer equipment or software is needed to access the ALAMIS site?

The ALAMIS is entirely web-based. Departments/units do not need a specific operating system or to purchase any expensive hardware/software to process membership, only a computer with Firefox and a monitor resolution setting of at least 1024x768. Our research shows that 95% of internet users meet these requirements. Since data from system-provided reports can be further manipulated (labels, mail merges, email lists, etc.) by exporting the data into Excel, Word and text files, Units will find it extremely helpful, but NOT required, to have Microsoft Office software and a high-speed internet connection.

## 3. What are units able to do in the system as a Unit Write access?

Units can do the following:

- Update unit member information
- Update unit leadership
- Run unit reports.
- Add new members.
- View only your unit's information.

## 4. What are units able to do in the system as a Unit Full access?

Units can do the following:

- All items in the Unit Write access.
- Process dues with a credit/debit card.
- Rejoin former members to their Unit only.

**5. How are users trained on the ALAMIS System?**

Department Headquarters and/or National Headquarters conduct training sessions where training materials are given via email when log in information is received. If you need immediate assistance on how to use the system, please contact Department Headquarters.

**6. How much will the ALA Management Information System cost Units?**

Units who have been designated with one login will be charged \$15.00, two logins will be charged \$30.00. The department will send your unit an invoice upon confirmation of being notified by National for the amount due. The department will be charged for each unit that is using ALMIS System; therefore, bills will go out every November/December in hopes to have all payments received in headquarters by the time National bills us in January. If your payment has not been received by December 31, you will be removed from the list and will not have access and will need to reapply for ALAMIS access.

**7. How often can I receive reports?**

All data in the ALAMIS is “real time” meaning that information and reports can be accessed by units monthly, weekly, daily, hourly, each time with the current, most up-to-date information available.

**8. If I need my membership data for a unit mailing, how can I access it?**

There are several reports available. If these reports do not meet your needs, you can download your unit membership data into an Excel spreadsheet or text file that can be sorted, filtered, or manipulated any way you choose. If you need assistance in making labels and do not know how to do a mail merge, please contact the Department Headquarters for documentation.

**9. If I need help, who can I contact?**

You may contact Angie Miller [amiller@alaohio.org](mailto:amiller@alaohio.org) or Vicky Buck [vicky@alaohio.org](mailto:vicky@alaohio.org) at Department Headquarters for answers to your questions. You may also email National at [alamishelp@legion-aux.org](mailto:alamishelp@legion-aux.org) and they will also be able to help you. If you contact National, please be sure to list your name, your Department, Unit number, and the problem so that they will know who to direct your call to. Including the member ID number and name can also expedite the answer to your question.
