DEPARTMENT PRE-CONVENTION COMMITTEE REPRESENTATIVES

Each department secretary will indicate representatives to the Pre-Convention Committee Meetings during delegate and alternate registration.

To allow representatives to attend more than one committee meeting, all committees have been assigned a time to meet. Groups A – J Pre-Convention Committee Meetings and the Constitution & Bylaws Pre-Convention Meeting will take place in the Indiana Convention Center.

PRE-CONVENTION ROLL CALL AND VOTING PROCEDURE

In order to provide an accurate roll call and to facilitate voting, the following procedure will be used for the Pre-Convention Committee Meetings:

In the front of each meeting room, 52 chairs will be reserved – one for the official representative (either a delegate or alternate) of each department. Cards bearing department names will be affixed to the chairs in alphabetical order. Other individuals present have voice but no vote.

The sergeant-at-arms is responsible for checking vacant chairs and indicating on a list the departments that are not represented. The department secretary electronically submits to ALA National Headquarters the name of the representative assigned to the Pre-Convention Committee Meeting; therefore, each department has an assigned chair, and it is not necessary to call the roll or pass a roll list.

Each time a national chairman presides, she will announce that only the official representatives to the appropriate meeting should be in the chairs, unless a member is replacing a previously assigned person from her department. The sergeant-at-arms will check the list each time a new chairman presides.

Since larger departments may have more than one person assigned to a group of Pre-Convention Committee Meetings (e.g., Mrs. Albright for Americanism, Mrs. Edwards for Education, and Mrs. Kelly for National Security), the national chairman will allow time for representatives to take their seats and make such changes, etc.

Voting will take place via voice vote. Votes may also be confirmed by a standing vote, show of hands, or roll call.

Pre-Convention Committee Meeting on Constitution & Bylaws

The Pre-Convention Committee Meeting on Constitution & Bylaws is held at a separate time from the other Pre-Convention Committee Meetings and is open to all delegates.

The purpose of the Pre-Convention Committee Meeting on Constitution & Bylaws is to receive and consider all proposed amendments to the governing documents to be presented to the convention body, and to verify that amendments adopted by the convention body are correctly incorporated into the governing documents. It is also to clarify the meaning of the proposals.

The Pre-Convention Committee Meeting on Constitution & Bylaws shall be open to all National Convention delegates and shall be held at a time that does not conflict with the meetings of all other pre-convention committees. Each proposed amendment shall be presented for explanation by a member of the Pre-Convention Committee on Constitution & Bylaws. Any delegate may ask a clarifying question. Such questions from non-members of the Pre-Convention Committee on Constitution & Bylaws shall be limited to clarifying the intent or purpose of a proposal. There shall be no debate on the merits of the proposal based on clarifying questions from non-members of the committee. Upon conclusion of open discussion regarding clarification of each proposed amendment, the committee may discuss the merits of the proposal and may vote to either a) recommend to the convention body that a proposed amendment be adopted; b) recommend to the convention body that a proposed amendment not be adopted; or c) make no recommendation to the convention body regarding a proposed amendment. Each member of the Pre-Convention Committee on Constitution & Bylaws and one representative assigned from each department shall be entitled to vote on the recommendation to be made to the convention body.

Indianapolis Area Tours Proposal

101st National Convention of The American Legion
Friday, August 23 - Thursday, August 29, 2019

Indianapolis City Tour - Indy 101

When Indiana became a state in 1816 the first state capitol was located on the Ohio River at Corydon, near Louisville, KY. In 1820 the state legislature decided the capitol should be centrally located to promote settlement throughout the state. That same year the a one-mile square area of woods and prairie grass was selected as the site of the new capitol. A few scatter cabins were located in this area but there weren't any roads, stores, etc. In fact, Indianapolis is the only state capitol that was not a community or town or city when it selected as the location of the state's capitol. Using five conestoga wagons, the state government moved from Corydon to Indianapolis in 1825.

From its meager beginnings Indianapolis has progressed to a metropolitan area of nearly 1.4 million residents. Learn about and see the sites that have been important in the development of Indianapolis during this two-hour tour. Among the places you will see are: Monument Circle, Circle Theater, Christ Church Cathedral, State Capitol, Lockerbie Square, the Scottish Rite Cathedral, The American Legion National Headquarters, The American Legion Mall, Union Station, Circle Central Mall, Zoo, Museum of Art, Children's Museum, Bankers Life Fieldhouse, Lucas Oil Stadium, Butler University, Marian University, the Governor's Residence, Crown Hill Cemetery, the Central Canal and the Eli Lilly & Company Headquarters.

Indianapolis Motor Speedway

In 1909 the Indianapolis Motor Speedway opened as a test track for the infant automobile industry. During 1909 and 1910 the Speedway promoted several short races but these weren't the success the owners desired. For 1911 the owners decided there would be only one race and it would be for 500 miles. And, a tradition was born.

During your visit to this century-old facility you enjoy a narrated tour while traveling around the 2.5 mile oval. At the start-finish line there is the opportunity to get off the bus and kiss the famous yard of bricks. Also included is admission to the Indianapolis Motor Speedway Museum which displays many cars that won the Indy 500 along with other automobiles from around the world. Rolls-Royce (Allison) Aircraft Engine Museum

Allison Engine Company (now Rolls-Royce) designed and built Liberty engines for aircraft during World War I. After the war Allison turned its attention to developing the 1710, a V-12 engine developing 1,000 horsepower. This engine was the power plant for the new generation of United States Army Air Corps fighters, the P-38 Lightning, the P-39 Airacobra and the P-40 Warhawk

After World War II the Army took General Electric's version of Frank Whittle's jet engine and asked Allison to produce it. The main production model was the Allison J33 of which over 7,000 were produced. Allison later produced over 14,000 Allison J35 which was the power plant for the F-84 Thunderjet and the F-89 Scorpion.

Allison also began developing a series of turboprop engines which included the power plant for the C-130 Hercules. Later the AE3007 jet engine was produced which powers many of the 50-passenger regional jets used by airlines around the world.

The museum collection includes these significant historical engines plus many others. Also included are several turbine engines designed for automobiles.

Not only did Camp Atterbury train soldiers for the European and Pacific Theaters, it also was an Italian and German prisoner of war camp housing nearly 15,000 soldiers. Another facility at Camp Atterbury was the 6,000-bed Wakeman Hospital Center which treated over 87,000 military patients during World War II.

Today Camp Atterbury is one of two facilities that train regular and reserve forces before their deployment to Afghanistan and Iraq.

During this tour visit the Camp Atterbury Museum which shows the construction, activation, unit training and finally Camp Atterbury as it is today. The separate open-air museum features several World War II related items including tanks. Also see the Chapel built by Italian prisoners of war to show their religious faith.
